Analytical Operations & Data Professional with 4.5+ years of experience in Operations Management, MIS Reporting, Business Analytics, Process Automation, and Stakeholder Coordination. Skilled in Power BI, SQL, Advanced Excel, and AI-powered automation tools with proven success in building dashboards, optimizing workflows, and delivering data-driven insights. Strong ability to transform operational data into actionable business intelligence and improve process efficiency in fast-paced environments.

WORK EXPERIENCE

Senior Executive - Operations, Canrod India Pvt Ltd

10/2024 – Present

- Ensured accurate documentation for asset procurement, sales & transfers, adhering to compliance & regulatory standards.
- Consolidated auction inventory data from multiple portals and built actionable reports for leadership.
- Maintained a centralized auction calendar, improving visibility of events & asset categories across teams.
- Designed and managed a bid history tracker, providing insights into successful bids and future bidding strategy.
- Automated workflows using Microsoft Power Apps & AI tools, reducing manual effort by 40% and improving process turnaround.
- Acted as a liaison between Sales, Accounts, Yard & Documentation teams, ensuring smooth vehicle release operations.

Key Achievements:

- Built a Pan-India Auction Dashboard in Power BI, reducing reporting time and enabling real-time sales insights.
- Redesigned the company's landing page using no-code AI tools, improving user experience and brand presentation.
- Automated document tracking systems, cutting delays and enhancing accountability.

Assistant Executive - Accounts, Shriram Automall India Ltd (SAMIL)

02/2022 – 09/2024

- Managed zonal accounts operations across 22 Automalls in Telangana & Andhra Pradesh.
- Oversaw daily cash remittances, reconciliations & discrepancy investigations to ensure accuracy.
- Reduced pending customer KYC cases by 33% (12,000 to 8,000) through consistent follow-ups & automation.
- Created & circulated MIS reports on pending KYCs, driving compliance across branches.
- Acted as Single Point of Contact for customers & sales teams to resolve payment/refund queries.
- Supported monthly review meetings by preparing performance insights & presentations.
